

SX-BS-4209

BARCODE SCANNER

SX-BS-4209 is industrial-grade bar code scanner. By enhancing the technology,with the best scanning light source Now MJ-4209 can read some bad-qualified ,damaged and dirty bar code .It is characterized by stable performance and durability.With industrial housing protection,even in noisy and industrial environment, high volume buzzer can meet the requirement on confirming each scanning.

FEATURES

- Upto IP54 industrial level ,waterproof , dustproof
- Manual trigger/continuous scan/auto-sense(for choice),very comfortable operating
- Quick Decoding Capability with duzzy Fuzzy Information Processing System
- Support Remote software update
- Upto 10,000 hours laser Life , French press key with life of 3 million pressing times
- Support multi-interface: USB, RS232, PS2
- Ergonomic design offer comfortable operation and enhance the working efficiency

SX-BS-4209

SPECIFICATIONS

Model	SX-BS-4209
Scanner type	Bi-directional
Scanning Rate	100 scans per second
Scanning distance	2.5mm-600mm
Print contrast	25% minimum reflective difference Roll(tilt): +/- 30degrees
Scanning mode	Press button, automatic continuous scan, auto-induction
Working times of button	3 million times
Working hours of laser	10000 hours
Working temperature	0°C-45°C/32°F-104°F
Storage temperature	-40°C-60°C/-40°F-140°F
Relative humidity	5%-95%(Non-condensing)
Anti-shock design	Withstand 1.8M drops
Dimensions	15.6 cm* 6.7 cm* 8.9cm
Net weight	115 g
Material	ABS+PC
Voltage	5 V +/- 10%
Current	110mA , idle 10mA
Interface	USB, RS232, PS2
Cable length	2M
Configuration	Manual, Product Certification, Stand (optional), USB Cable
DecodeCapability	UPC/EAN,UPC/EAN with supplementals Code128 ,UCC/EAN128, Code39 Code39 FullASCII, Code128 Full ASCII, Codabar, Inter leaved 2 of 5, Code 93, MSI, Code11, ISBN, ISSN, China post code, etc.
